

Looking For Staff? Advertise With Us!

It is widely recognized that many members are finding it difficult to recruit employees due to the acknowledged shortage of skilled, reliable staff in this industry. Recognising the need, the Restaurant Association has introduced a dedicated Employment section on our website www.restaurantnz.co.nz (which receives around 100,000 hits per month), and we encourage members to take advantage of this FREE membership service to advertise their job vacancies.

Your recruitment ad can be up to 300 words and can include a logo or picture. We will also include email and website links if applicable. You can either indicate the time frame you would like the ad to appear, or it will remain on the website for a month.
