

Catching up with friends, relaxing on weekends, going to the park with your kids...

Protect the life you're living.

A great life is about good management. Maintaining a happy balance between work, family, friends and all the other things that matter to you. Having health insurance can help you keep your life just the way you like it.

Did you know that you can receive reduced premiums for Southern Cross health insurance through the Restaurant Association group scheme?

Joining the scheme means you'll have more choice – you can decide when and where you receive qualifying treatment.

To find out more about joining call Southern Cross today on 0800 100 555.

If you're already a member and would like any assistance, call us on 0800 800 181.

Why wait, make the call.
